Plans

Since not all practices are the same, neither are our packages. Subscribe to the collection that fits your needs best.

All-in

A comprehensive set of titles for firms who are their client's go-to source for up-to-date business legal advice and want to feel confident that their online library contains the most authoritative, up-to-date expertise on all corporate and commercial issues.

Premium

A selection of titles most used and valued by transactional lawyers. Recommended as the minimum bundle for firms who are the go-to source for business legal advice for their clients.

Essential

Must-have titles for all commercial lawyers and any firm that encounters corporate and commercial issues. For example, estates and family lawyers who come across commercial issues in their practices.
