

# What's in LawSource® – Tribunals

07/2020

## LawSource® includes:

- all tribunal decisions published in Thomson Reuters (Carswell and Canada Law Book) Reports from inception of the report series
- all decisions reported in other print reporters from 1997 forward and
- the full text of all decisions reported in Labour Arbitration Cases since 1948.

LawSource also includes the following key unreported tribunal decisions:

- All decisions cited in a court decision or reported tribunal decision (from 2000 forward)
- All decisions cited in Carswell analytical materials (such as the Canadian Encyclopedic Digest)

Below is a list of tribunals for which there is significant coverage on LawSource for the federal jurisdiction and the common law provinces.
