

Don't let delays get in the way.

Marque d'or gives you the tools you need to provide your clients with quick service without you having to deal with Revenu Québec.

An Abridged Form

Netco™ Client

Netco™ automatically extracts the data submitted to the Registraire des entreprises du Québec and automatically fills in several form fields.

Non-Netco™ users

If you do not use Netco™, you can fill in the form and the power of attorney available on our website and send us the documents by fax or email.

For questions relating to identifying taxable activities, or for any other information, please contact one of our representatives (see contact information below).

A Reliable Verification Process

All the data sent through Netco™ is validated by our team prior to final submission.

Lightning-Fast Service

Our agent does daily trips to Government offices in order to acquire your documents as soon as possible.

To obtain your numbers on the very same day, choose the PRIORITY SERVICE option.
